GREGORY YOUNG, et al.,

Plaintiffs,

v.

WELLS FARGO & CO., and WELLS FARGO BANK, N.A.,

Defendants.

Case No. 4:08-cv-00507-RP-CFB

DECLARATION OF JENNIFER M. KEOUGH REGARDING NOTICE DISSEMINATION AND PUBLICATION

JENNIFER M. KEOUGH declares and states as follows:

1. I am Chief Operating Officer of the Garden City Group, LLC ("GCG"). The following statements are based on my personal knowledge and information provided by other GCG employees working under my supervision and, if called upon to do so, I could and would testify competently thereto.

2. GCG was retained by Plaintiffs in the above-captioned Action and appointed pursuant to Paragraph 8 of the Court's Order Preliminarily Approving Settlement and Providing for Notice ("Preliminary Approval Order"), to serve as the Claims Administrator. I submit this Declaration Regarding Notice Dissemination and Publication to provide the Court and the parties to the Action with information regarding the administration of the Settlement.¹

¹ Unless otherwise defined herein, all capitalized terms shall have the same meaning as set forth in the Stipulation and Agreement of Settlement (the "Stipulation of Settlement") and/or the Preliminary Approval Order.

DISSEMINATION OF THE NOTICE POSTCARDS

3. By definition, the Class includes: all Persons who have or had a mortgage serviced by Wells Fargo and owe or paid a property inspection fee assessed during the period of August 1, 2004 through December 31, 2013, inclusive.

4. Pursuant to Paragraph 8(a) of the Preliminary Approval Order, GCG was responsible for disseminating the Court-approved Postcard Notice A and Postcard Notice B to Class Members identified in the Notice Database. A copy of Postcard Notice A and Postcard Notice B are attached hereto as Exhibit A.

5. In June of 2014, Plaintiffs' Co-Lead Class Counsel provided to GCG the names and last known addresses of Class Members from the Notice Database that Wells Fargo produced pursuant to the Court's Order dated May 8, 2014. On September 3, 2015, Plaintiffs' Co-Lead Class Counsel provided to GCG the unique loan identification number and the loan categorization (Active, Paid-in-Full, or Post-Sale) for each Class Member. In total, Class Member name and address data was provided to GCG for 2,709,197 loans.

6. Based on the data received, 921,241 records were categorized as Active; 548,940 records were categorized as Paid-in-Full; and 1,239,016 records were categorized as Post-Sale.

7. GCG loaded this data into a database created for this Action. In September of 2015, GCG checked the last known address of Class Members as reflected in the Notice Database against the United States Post Office National Change of Address Database. Where a more current address was available, GCG updated the address accordingly.

8. Pursuant to Paragraph 3.05 of the Stipulation of Settlement, Postcard Notice A was to be mailed to Class Members identified in the Notice Database whose loans fall into the Active or Paid-in-Full categories and Postcard Notice B was to be mailed to Class Members identified in the Notice Database whose loans fall into the Post-Sale category.

9. Pursuant to a directive from the parties, GCG formatted Postcard Notice A and Postcard Notice B, and caused both to be printed with the name and address of the Persons identified as the primary contact in Defendants' records for each unique loan in the Notice Database. 1,470,181 personalized copies of Postcard Notice A and 1,239,016 personalized

2

copies of Postcard Notice B were then posted for first-class mail, postage prepaid, and delivered on October 16, 2015 to a United States Post Office for mailing.

10. Pursuant to the Preliminary Approval Order, a total of 2,709,197 postcard notices were mailed to Class Members identified in the Notice Database. In addition, GCG has remailed 1,781 copies of Postcard A and 2,485 copies of Postcard B to Persons whose original mail was returned by the United States Postal Service and for whom updated addresses were provided to GCG by the United States Postal Service.

PUBLICATION OF THE SUMMARY NOTICE

11. Paragraph 8(b) of the Court's Preliminary Approval Order also directed that the Summary Notice be published once in the national edition of *The Wall Street Journal*, and once over the *PR Newswire*, no later than October 27, 2015. GCG arranged publication for October 22, 2015. GCG was informed that *The Wall Street Journal* erroneously published the Summary Notice on September 22, 2015. Subsequently, the Summary Notice was published again in the *Wall Street Journal* on October 22, 2015, and over the *PR Newswire* on the same day. A copy of the letter acknowledging the publication error is attached hereto as Exhibit B. A copy of the Summary Notice and confirmations of the publication are attached hereto as Exhibit C.

TOLL-FREE NUMBER

12. Beginning on September 22, 2015, GCG set up and continues to maintain an automated toll-free telephone number (1-855-382-6434), to accommodate inquiries from Class Members and provide general Settlement information. The interactive voice response system dedicated to this Settlement is accessible 24 hours a day, 7 days a week. GCG has and will continue to accommodate Class Member inquiries. For example, as part of the interactive voice response system, Class Members have the option to request a copy of the Notice and Proof of Claim ("Notice Packet"). As of December 7, 2015, GCG has mailed 18,623 Notice Packets in response to Class Member inquiries. All such requests have been, and will continue to be, complied with.

3

WEBSITE

13. GCG established and is maintaining a website dedicated to this Settlement (www.WellsFargoPropertyInspectionSettlement.com) to provide additional information to Class Members and to answer frequently asked questions. Users of the website are able to download copies of the Notice, Proof of Claim, Stipulation of Settlement, and Preliminary Approval Order. The web address was set forth in the published Summary Notice, Postcard Notices A and B, and the Proof of Claim. Additionally, Post-Sale Class Members are able to file a claim online. The Settlement website was operational beginning on September 22, 2015, and is accessible 24 hours a day, 7 days a week.

OPT-OUTS AND OBJECTIONS

14. In accordance with Paragraph 10 of the Preliminary Approval Order, any Class Member who wishes to be excluded from the Class is required to do so in writing so that the request is postmarked by December 22, 2015. As of December 7, 2015, GCG has received 102 requests for exclusion.² When compared against the unique loan identification numbers provided in the Notice Database, the requests for exclusion represent 86 unique loans with qualifying property inspection fee transactions. A summary list of those Persons requesting exclusion is attached hereto as Exhibit D.

15. Paragraph 11 of the Preliminary Approval Order provides that Class Members who wish to object to the Settlement must do so in writing so that the objection is received by the Parties and filed with the Court no later than December 22, 2015. As of December 7, 2015, GCG is aware of four objections from Class Members.

SETTLEMENT FUND AND DISTRIBUTION

16. As the Escrow Agent, on or about September 30, 2015, GCG received from Wells Fargo the Settlement Fund and placed it in an interest-bearing account established for the Settlement, as required by Paragraph 5.01 of the Stipulation of Settlement.

² This statistic includes requests from Persons not identified as Class Members in the Notice Database, qualifying loans which are held by more than one Person, and Persons who have more than one qualifying loan. As appropriate, each exclusion request was connected with one or more unique GCG ID number; the 102 GCG ID numbers associated with each exclusion request are identified in the 'GCG ID #' column of Exhibit D. For the convenience of the Court and the parties in the Action, Exhibit D has been grouped by both loan and requestor.

Case 4:08-cv-00507-RP-CFB Document 264-1 Filed 12/08/15 Page 5 of 21

17. I understand that, pursuant to Paragraph 6.07 of the Stipulation of Settlement, Plaintiffs' Co-Lead Class Counsel will apply to the Court for a Class Distribution Order which will, among other things, request the approval of GCG's administrative determinations concerning the acceptance and rejection of the Claims submitted, and direct the payment of the Net Settlement Fund. GCG will submit an additional declaration at that time updating the Court on the claims administration process.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on December 8, 2015, 2015, at Seattle, Washington.

IF YOU HAVE OR HAD A MORTGAGE SERVICED BY WELLS FARGO AND OWE OR PAID A PROPERTY INSPECTION FEE ASSESSED DURING THE PERIOD AUGUST 1, 2004 THROUGH DECEMBER 31, 2013, YOU MAY BE ENTITLED TO CASH FROM A CLASS ACTION SETTLEMENT.

A settlement has been reached in a class action lawsuit about property inspection fees Wells Fargo charged certain borrowers. This notice provides a summary of the settlement, and of your rights. Additional information is available at www.WellsFargoPropertyInspectionSettlement.com or by calling (855) 382-6434.

What is the case about? The lawsuit claims that Wells Fargo improperly charged borrowers for the cost of property inspections it routinely performed in certain circumstances whenever a borrower was forty-five days or more late in making a mortgage payment, and then ordered subsequent inspections every twenty-five to thirty-five days for as long as the borrower remained delinquent. Plaintiffs claim that the repeated property inspections ordered by Wells Fargo were unnecessary and that their cost should not have been assessed to borrowers. Wells Fargo contends that all of its property inspection policies and procedures complied with the law and that property inspections and related charges to borrowers were reasonable and necessary. Wells Fargo denies all the claims in the lawsuit and that it has done anything wrong.

Who is included? If you received this notice, Wells Fargo's records show that you are a Class Member. Generally, the Class includes persons who owe or paid property inspection fees assessed anytime from August 1, 2004 through December 31, 2013.

What does the settlement provide? The settlement with Wells Fargo involves a total payment of \$25,750,000. After deductions for costs of settlement administration and notice, class representative service awards, and attorneys' fees and expenses, the remainder (the "Net Settlement Fund") will be distributed to Class Members. The formula for allocation of the Net Settlement Fund amongst Class Members is set forth in the Plan of Allocation, which is contained in the Notice of Proposed Settlement of Class Action ("Notice"). You may obtain a copy of the Notice and the Stipulation and Agreement of Settlement at www.WellsFargoPropertyInspectionSettlement.com or by calling (855) 382-6434. These documents provide additional details of the settlement and your options.

<u>How can you get a payment</u>? Wells Fargo's records show that you are one of the Class Members whose loans are currently being serviced by Wells Fargo ("Active Loans") or whose loans have been paid-in-full ("Paid-in-Full Loans"). Because their Recognized Claim will be calculated using Wells Fargo's records, Class Members whose loans fall into these categories will automatically receive a distribution from the Net Settlement Fund after the Settlement becomes final.

What are your other options? If you don't want to be legally bound by the settlement and the releases it entails, you must exclude yourself by December 22, 2015, or you won't be able to sue, or continue to sue, Wells Fargo about the legal claims in this case. If you exclude yourself from the settlement with Wells Fargo, you cannot get money from this settlement. If you do not exclude yourself, but disagree with any aspect of the settlement, including the request for attorneys' fees and costs, you may object to the settlement by December 22, 2015. The Notice explains how to exclude yourself or object.

The Honorable Robert W. Pratt will hold a hearing in the case, known as *Young v. Wells Fargo & Co.* Case No. 4:08-CV-507 RP-CFB, on January 21, 2016, at 10:00 a.m., at the United States District Court, Southern District of Iowa, Central Division, U.S. District Courthouse, 123 East Walnut Street, Des Moines, Iowa 50309, to consider whether to approve the settlement, attorneys' fees of up to 33-1/3 % of the \$25,750,000 settlement, reimbursement for lawsuit costs and expenses not to exceed \$400,000, and a payment to each of the Plaintiffs of \$10,000 for their service to the Class. Plaintiffs' Counsel's fee petition will be available online when filed. You or your own lawyer, if you have one, may ask to appear and speak at the hearing at your own cost, but it is not required. SOLARWINDS Software Maker **Bought for \$4.6 Billion**

Software company Solar-Winds Inc. said Wednesday that it has agreed to be acquired by private-equity firms Silver Lake and Thoma Bravo LLC in a deal valued at about \$4.6 billion, less than two weeks after the company said it was surveying its options.

Under the transaction, Solar-Winds stockholders will receive

\$60.10 a share. SolarWinds said the purchase price represents a 43.5% premium to the closing price of the company's stock on Oct. 8, the day before the board announced it was exploring alternatives. It is a 20% premium to Tuesday's closing price. The deal is pending stock-

holder and regulatory approval and is expected to close some time in the first three months of next year. SolarWinds, Austin, Texas, makes software that businesses

Biogen to Cut Jobs as Net Rises

BY JOSEPH WALKER AND CHELSEY DULANEY

Biogen Inc., whose share price has tumbled this year amid slowing revenue growth, said it would cut 11% of its workforce by the end of the year as the biopharmaceutical company retrenches.

The job reductions will span the company's global operations and business units, a spokesman said, and will save the company about \$250 million annually in expenses. Biogen had about 8,000 employees globally before the cuts, a spokesman said.

The company said it would reinvest the savings in its most promising research and development programs, including an experimental treatment for Alzheimer's disease, and discontinue others.

Biogen also will use the money to fund increased sales and marketing initiatives, including a direct-to-consumer advertising campaign, for its blockbuster multiple-sclerosis drug Tecfidera, its largest product by revenue.

"This year has been a challenging one for those of us here at Biogen," Chief Executive George Scangos said during a conference call with analysts on Wednesday.

Even amid the cost-cutting, Biogen said it had spent \$3.9 billion to repurchase its own stock on the open market. The company had \$7.8 billion in cash and marketable securities

In addition to the restruc-

lion from \$2.51 billion. Analysts polled by Thomson Reuters had forecast earnings of \$3.80 a share on \$2.65 billion in revenue.

Shares of Biogen, which had fallen 35% over the past three months, rose 4% to \$276.34 in 4 p.m. trading on Wednesday.

In July, the company lowered its revenue and profit growth expectations because of slowing growth for Tecfidera. Fewer new patients are being prescribed the drug, Biogen has said, in part because of doctors' concerns about a rare side effect that was linked to a patient death last year.

In the third quarter, Tecfidera revenue rose 19% to \$937 million. But the growth rate slowed from the 26% year-over-year increase in the second quarter and the 63% increase in the first quarter.

Tecfidera revenue benefited from a price increase, which was partially offset by factors including rebates given to health insurers, Chief Financial Officer Paul Clancy said on the conference call. About \$10 million to \$15 million in Tecfidera sales were the result of increased purchases by government health-care programs seeking to raise their inventory before the end of their fiscal years, Mr. Clancy said.

Shares of biopharmaceutical companies have fallen significantly in recent months amid increasing political and media scrutiny of drug prices and concerns that equity valuaat the end of the third quarter. tions had become unreasonable after years of outperform turing, Biogen also reported ing the market. Separately, Biogen said a late-stage study of its drug Tysabri failed to benefit patients with a severe form of multiple sclerosis. For 2015, Biogen said it now expects revenue to grow 8% to 9% from a year ago, up from its predicted growth of 6% to 8% in July.
